

WALL ST. MARKET

SEVERAL LEADING ISSUES LOSE AT OPENING.

Steel Stocks Fluctuate, Common and Crucible Declining in Early Hours—American Beet Sugar and American Sugar Refinery Both Make Advances.

NEW YORK, Aug. 7.—The stock market opened weak today, several of the leading issues losing fractionally.

Bethlehem Steel B was active, falling 1/4 at the opening to 120, and then declined further to 124 1/2. Steel common opened unchanged at 127 1/2 and then declined to 127 1/4. Crucible opened 1/4 higher at 85 1/2, and then declined to 84 1/2. The other steel stocks moved in about the same manner.

American Beet Sugar was up 1/4 at 27 1/2 and American Sugar Refinery advanced 1/4 to 124 1/2. Anaconda dropped 1/4 to 77 1/2.

A heavy tone prevailed during the forenoon, with the sentiment generally influenced by the action of Bethlehem Steel B. That stock was without support and dropped 1/4 to 124 1/2, and then declined to 127 1/4. Crucible opened 1/4 higher at 85 1/2, and then declined to 84 1/2. The other steel stocks moved in about the same manner.

General Motors dropped from 115 to 113 1/2 on a single transaction, while Studebaker, in which a large short interest had been created, advanced 2 points to 55.

There was some pool activity for the first few minutes when American Linsed moved up 1/4 to 39 1/2, but pool efforts quickly ceased, and the specialties which were moved up declined with the rest of the list.

Money loaning at 2 1/2 per cent. The tone was steady in the afternoon, with the general list holding close to the midday range. Studebaker was offered down to 54, but the announcement of the dividend reduction, Bethlehem Steel B was in good demand, advancing about 1 point from the early low levels. Steel common held around 127.
